REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art made of record fails to disclose or suggest a method and an apparatus for measuring the condition of the battery having at least a shortening between the battery poles by producing a high current for a short period of time in order to carry a high current load and measuring/analyzing the process data to include voltage and current during the time period. The apparatus would have at least a snubber to prevent rapid decrease of current and microprocessor for analyzing the data and a display for presenting the results.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
